SCHOOL NEWS

St. Mary's families and friends enjoyed a beautiful Sunday morning together at our "Promise for Our Future 5K Run/Walk". What a FUN way to come together and support Catholic Education!

WE ARE PROUD TO ANNOUNCE...

St. Mary's Teacher of the Year – Mrs. Johansen!

Mrs. Johansen was recognized at our annual Archbishop's School Fund Dinner for her outstanding contributions to Catholic Education! We are truly BLESSED to have her on our St. Mary's Team! The Archbishops Dinner was a wonderful event with good food, friends and faith! It was a wonderful opportunity to celebrate Catholic education and recognize our amazing teachers. Because of the ongoing commitment by the Archdiocese of Santa Fe, St. Mary's received additional scholarship funds! Thank you to all of our parents, families and friends who continue to support Catholic Education!

8th Graders Hawaiian Luau Dance

We are so proud of our 8th grade students for planning their first school dance with the hopes of collecting money to donate to the victims of the recent hurricanes and earth quakes. The students planned the entire event, from theme, to food, to decorations. Our 6th, 7th & 8th graders assisted by donating yummy snacks and with a little help from Father Marc with music the event was a big success – raising \$395.00!

I am a Christ-Centered Catholic who serves others through words and actions!

WHERE IS FATHER MARC?

READING WITH OUR KINDERGARTENERS!!

Father Marc spends time each day not only assisting us with our morning and afternoon carline... he visits our classrooms, sharing his faith with our students. This week we caught him reading with our Kindergarteners!
