## What's happening at St. Mary's

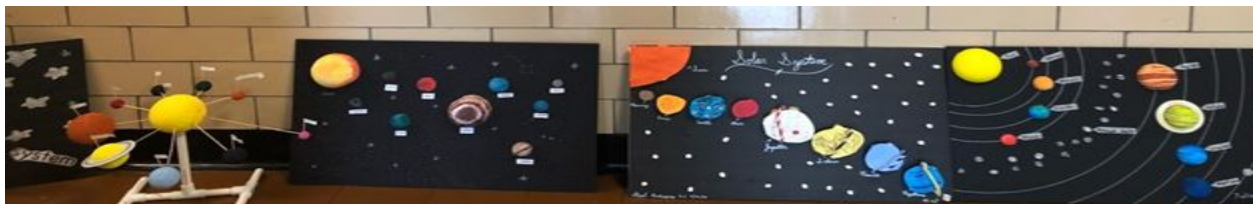

### Marsville

St. Mary's Fifth Graders, along with over 1,000 students from 34 New Mexico schools are spending today constructing inflatable shelters. Our students, along with the assistance of their teachers, have been training over the last several weeks for today's adventure. With only a specific amount of food for survival, our students will work together with the other schools to simulate a Mars colony.

### Solar System

Our third graders have also been learning about planets recently, though they are not creating a Mars colony, they were able to each create their own solar system. Nice Job Third Grade!!

### Faith Challenge Bowl

Students from grades 3-8 will complete on Friday, April 27<sup>th</sup> at the Archdiocese of Santa Fe's Annual Faith Challenge Bowl at St. Pius X. Our teams have been preparing for this challenge and are excited to be able to share their knowledge of their Catholic Faith.

Thank you to Ms. Mader for helping to prepare our students!  
We wish you all the best of luck!

**Ms. Bigalbal's Class**

This week, I caught Mrs. Bigalbal's class working collaboratively in groups reviewing parts of a story. Students worked in teams to complete their story web describing the main idea, character, plot, problem, and solution for their assigned chapter from the story, **A Wrinkle in Time**. Ms. Bigalbal guided the groups, as they reflected, discussed and worked together to complete their web.

**St. Mary's**

**Talent Show Tuesday, May 8<sup>th</sup> at 1:30!**

Ms. Hood and Mrs. Groves will be working with the students as they come together to share with our community their unique talents, which God has blessed them with!!
