

St. Mary's Catholic School

*Loving God,*

May all that we do this day, from morning until night, begin with your inspiration, and continue with your powerful help. May our work this day be rooted in love and mercy, that we might love you and love our neighbors, as perfectly as you love us,  
We ask this through our Lord Jesus Christ. Amen

## SCHOOL NEWS

### Spirit of Giving Jean Day is TOMORROW, September 8<sup>th</sup>

Students may demonstrate their Catholic service/spirit of giving by donating \$2.00 - as we share our treasure with those in need, affected by Hurricane Harvey

#### *News around St. Mary's Campus*

As I visit each class, I am so excited to share the following activities St. Mary's students have been engaged with this week. Our Pre-K students were all amazed with the ingredients Mrs. Wisor shared with them as they prepared to make bread, which they promised they would share with me - YUM! Ms. Rice's Kindergarteners were busy listening to stories from our new reading curriculum SuperKids! 1<sup>st</sup> Grade students were implementing reading strategies to identify items beginning with the letter J and Q! Our Third Graders learned how to be detectives as they used their Religion text book to help them answer the question... How did St. Francis show his love for others? Our Fourth graders were sharing ways to be Respectful, Kind and Courteous, Fifth Graders are learning about cells, Sixth, Seventh & Eighth Graders began their STAR testing for Math & Reading, are reviewing sentence structures, and are learning to solve algebraic equations and expressions using substitution, commutative and associative properties!
